We are gearing up to participate again this year as a faith community, joining with churches across the globe to re-capture the story of Christ's coming to redeem humanity.

The challenge is to work together as families to align our hearts with the heart of our Heavenly Father. He gave Himself away, so let's do the same.

Love all...  
Spend less...  
Give more...  
Worship...

Throughout December we will accept giving towards our Advent Conspiracy projects. 1/3 of all gifts received will be given to each of these three ministries:

1. Young Life: Funds will be used to help send kids to camp
2. Living Water International: Funds will be used to provide clean water around the globe. Check out [www.water.cc](http://www.water.cc)
3. ERM: Funds will be used to further the ministry to widows and orphans in Rwanda. Check out [www.ermrwanda.org](http://www.ermrwanda.org)

Let this become our new tradition!
